

The Ray
WINE LIST

Welcome

Welcome to The Raj as we present to you the legacy of India's most ancient culinary heritage and take you on a journey where the fusion of skilfully spiced dishes with their mesmerizing flavours, textures and rich colours are sure to be an unforgettable experience. So as to further enhance your dining experience with us, we would like to make the following recommendations to match food and wine. If some of the dishes mentioned are not on your menu they may be specially prepared for you.

With Chardonnay

The richly textured, buttery and nutty character of these wines are well suited to a spread of main courses, especially the fuller bodied delicacies with creamy, cardamom infused sauces such as Prawn Malai Curry and Chicken Korma.

With Chenin Blanc and Riesling

Cashew and almond nut paste enhanced dishes, such as Chicken Tikka Masala and Butter Chicken, are well suited to the crisp character of Chenin Blanc. The light and fresh apple texture of the Riesling makes it a suitable partner to several of our vegetable preparations that have subtle coriander and cumin seed spicing.

With Sauvignon Blanc

Chicken and lamb preparations with pronounced flavours, such as those with tomatoes, sun dried coriander and caramelised onions are well matched with the tight, mineral 'green fruit' character of Sauvignon Blanc. Try with either the Bhoona Gosht or Chicken Madras.

With White Blends

The dry and off dry styles, with little residual sugar, are definite considerations to accompany our skilfully spiced vegetarian dishes like Dal Makhni and Paneer Makhni. The sweet blends are best matched with Chicken Karai and Lamb Do Piazza, which are fairly hot and liberally spiced.

With Rosé and Blanc de Noir

Absolutely a must with our Mughlai preparations, especially the Kaliya Kesar and all the Briyanis. Mughlai foods are creamy and delicate with gentle and subdued combinations of cinnamon, cardamom and star anise. Dried fruits are used as thickening agents, which contribute to the rich textures and flavours.

With Cabernet Sauvignon

Cabernets have a powerful mouth feel to them so are best with strongly spiced but not necessarily chilli-hot, sauces. Suggested with Lamb Roganjosh, Lamb Madras and Chicken Madras.

With Shiraz

Hot and spicy Chicken or Lamb Vindaloo are the perfect partners to a fully textured Shiraz. Alternatively, try with the Fish Malabar Curry or Prawn Pepper Fry.

With Merlot

Seafood curries elegantly partner this noble varietal with its classic full flavoured palate of red berries and spices. Merlot should also be tried with the not too creamy but full textured Lamb and Chicken main courses such as Chicken Masala or Lamb Coconut Curry.

With Red blends

Our selection varies from the lighter styles through to the more full-bodied, but they essentially have Cabernet Sauvignon as a base-blending partner. Crab Masala and several other seafood curries, as well as Roganjosh and Kerely Lamb are further enhanced by the complexity of the heavier blends.
